

CARCASS DISPOSITION FORM

When Item 14 of your IACUC Protocol Review Form indicates you will be incinerating animals **and** disposing of animals by other means, use this form to indicate how carcass disposition will be tracked to avoid errors.

- Forward this document to the AACUP office for approval when you submit your IACUC form.
- Send to:
 - AACUP office at cpruitt@illinois.edu OR
 - Cindy Pruitt at 200 LAC, MC 004

The ACCUP office will notify you and the IACUC office of approval.

PI: _____

Protocol Title: _____

Describe **which animals** will be incinerated and **how they will be differentiated**. For example, you might be able to render control animals or animals removed from the study before being administered a hazardous agent. The animals administered the agent **must** be marked for incineration, eg, with a colored ear tag, permanent ear notch, or other method.

AACUP USE ONLY
